

CHASE BRIDGE  
PRIMARY SCHOOL

EXCEL AT LEARNING    EXPRESS YOUR TALENTS    CARE FOR OTHERS

# WELCOME TO CHASE BRIDGE

Welcome to Chase Bridge Primary School, where children Excel at Learning, Express their Talents and Care for Others. We are proud to serve our community and proud of its diversity.

We have a spacious site with modern facilities, superb resources and a happy, purposeful atmosphere. We offer a 60 place Nursery and three forms of entry in each year group.

Outside, our large field enables children to take part in a wide range of sports and play with friends. Excellence in PE, sports, music and the arts are particular strengths of the school. Children enjoy gardening and growing their own produce in our 'Edible Playground'.

For working parents, a breakfast club and after-school childcare service is operated by the school as well as a large selection of after-school clubs. In addition, we also have holiday childcare which is provided by our experienced holiday camp partner.

We aim for every child to make exceptional progress whatever their starting point or background.

## **Daniel Bishop, Headteacher**

## EXCEL AT LEARNING

We believe in **curiosity, resilience** and that **practice makes progress**; these qualities are fostered in our children every day.

Our children are encouraged to be curious, ask insightful questions and seek a range of perspectives. We provide a vibrant learning environment that sparks their imagination and nurtures their thirst for knowledge.

Resilience is a core value at Chase Bridge and we teach our children the importance of perseverance, embracing challenges and learning from mistakes. With a growth mindset, our children approach learning with determination and understand that the more effort you put in, the more you get out.

Practice indeed makes progress - and our children make remarkable progress. At Chase Bridge, we consistently achieve well above the national average at Key Stage 2 and our children's outcomes in reading, writing and maths are among the best in London. We take great pride in the accomplishments of our children and the dedication of our staff.

Chase Bridge is a community where children thrive academically, develop a love for learning, and become well-rounded individuals ready to embrace their future with confidence.

*“Pupils study an ambitious range of subjects. Leaders and staff expect all pupils to acquire the knowledge set out in the national curriculum... This reflects leaders’ high expectations.”*

Ofsted

*“Leaders have ensured that the school has an inclusive and respectful ethos. Adults listen carefully to pupils. They manage pupils’ behaviours effectively and make sure that all pupils focus on their learning.”*

# EXPRESS YOUR TALENTS

At Chase Bridge, we believe that every child possesses unique talents waiting to be nurtured and celebrated. Our vibrant learning environment encourages enthusiasm, courage, and self-belief, empowering our children to unlock their full potential.

**Enthusiasm** is at the heart of our approach: we ignite the flame of curiosity, inspiring children to explore their interests and passions. Our dedicated staff foster an atmosphere of excitement, creating dynamic lessons and engaging activities that spark a love for learning in each child. Talents might exist within or outside of the classroom and we work hard to make sure our children have the best environment possible for these to thrive.

**Courage** is cultivated by providing a safe and supportive space for our children to take risks and step outside their comfort zones, knowing that it will be okay. Through a wide range of extracurricular activities and clubs, children are encouraged to pursue their interests and develop new skills, building their confidence along the way.

**Self-belief** is nurtured through a culture of encouragement and positive reinforcement, enabling the children to know they can do it. We celebrate individual achievements, no matter how big or small, fostering a strong sense of self-worth.

Chase Bridge is a school where your child's enthusiasm, courage and self-belief will flourish, paving the way for a bright and successful future.

## CARE FOR OTHERS

At Chase Bridge, fostering a culture of caring for others is at the heart of our educational philosophy. Our children learn the values of respect, compassion and responsibility from a young age, empowering them to become empathetic and socially responsible individuals.

**Respect** is ingrained through every interaction, encouraging children to appreciate and value the diversity of perspectives and backgrounds within our community. Open discussions and a broad and inclusive curriculum develops a deep understanding and appreciation for one another, ensuring our children know that everyone is special here at Chase Bridge.

**Compassion** is nurtured through various initiatives that encourage acts of kindness and empathy towards how others might feel. From organising food collections for our local food bank to raising funds for local, national and international good causes, our children actively participate in activities that teach them the importance of extending a helping hand to those in need.

**Responsibility** is instilled in our children as they learn the impact their actions have on others and the environment. Through engaging projects and learning focused on local, national and international communities, our children develop a sense of duty towards making the world a better place. Through an understanding of the meaning of responsibility and that certain things are 'up to you', children at our school leave with the belief that they can change the world.

At Chase Bridge, we are proud of the caring and compassionate environment we have created, ensuring that our children grow into responsible global citizens who are ready to make a difference.

*“Pupils are happy and safe. They develop warm and respectful relationships with each other and with adults. Pupils enjoy each other’s company and support each other well in learning and at play.”*

# FIND OUT MORE

Our beautiful and extensive grounds are situated next to the world class Twickenham Rugby Stadium with convenient transport links by rail (Twickenham and Whitton) and bus.

We welcome all prospective parents to attend one of our open days which are usually scheduled for the autumn term. Please visit our website for the next available dates and to book a slot at a forthcoming tour. Our school tour video is also available on our website to give you a glimpse into life at Chase Bridge as well as an introductory message from Daniel Bishop, our Headteacher.

More information about school life can be found on our website, our social media pages or simply call the school office where we will happily answer any questions you may have.

We look forward to welcoming you and your family to be part of the magic at Chase Bridge.

Chase Bridge parents:

*"Chase Bridge School is the best school in our locality."*

*"I have been beyond impressed with Chase Bridge since day one. I am so grateful to have my child in such an amazing school."*

*"Wonderful school, teachers, amenities and inclusive culture. We are proud to be part of it."*

Chase Bridge children:

*"I think our school is the best place for children to go as we provide kindness and respect to everyone. Our school helps children when they need it and our staff make the school a happy and safe place. The teachers are really nice and kind and I love coming here."*

*"I love Chase Bridge. I personally think it is the best school in the world!"*

*"I think that Chase Bridge teachers understand how to help and make things better. I love my school."*
